WALESBY FOREST

SCHOOL & GROUP INFORMATION

Welcome to the best in adventure activities for Schools and Groups

We have put together this brief information sheet and you will find further information on our website at www.walesbyforest.org.uk.

Walesby Forest has been providing adventure activities for young people since 1938. Our experience enables us to tailor programmes to meet the requirements of groups of different ages and abilities. We pride ourselves on our ability to nurture talent and abilities at the same time as making sure there are opportunities for learning and personal development.

Our Activity Centre has been developed with the specific aim of providing resources to enable Schools and Groups to take part in residential, camping and outdoor adventure activities in safe and environmentally rich surroundings.

Our team will do all they can to help you organise a brilliant, never to be forgotten experience for your group. We will help you plan your visit and once on site will provide the support and activities you need to ensure your group has a memorable and enjoyable experience. We always talk to you, the Group Leader, when planning your activity programme; whether it's a day visit, residential trip or a week long adventure programme we ensure you get the greatest experience at an affordable cost!

Among the millions of guests that have visited Walesby Forest are Schools, Scouts and Guides as well as many other youth groups. These groups have benefited from our activity courses and facilities and regularly return.

Leaders can choose from over 40 activities, tasks, games and projects, and we will also write an individual programme for your stay. All activities are on site, making the most of the time and ensuring at least five activities per day.

Whatever the programme you choose you can be assured that our team of qualified instructors will be on hand to ensure your day runs smoothly. We help you design your programme to get the most from your visit, there can be an emphasis on teamwork and social skills and/ or the environment and conservation. Additionally your program can be linked to the National Curriculum, river study or your school programmes.

Packages include: accommodation, meals and all activities.
Teachers or Leaders come free.

Should you wish to know more or make a reservation please contact us.

As a leading Centre providing outdoor education and adventure activities for young people we understand that you need to use a provider who can ensure quality, value and service as well as a full range of exciting opportunities for young people to develop and grow.

Be healthy, Stay safe, Enjoy and achieve, Make a positive contribution, Achieve economic well-being.

Learning in Action

Walesby Forest places a strong emphasis on outdoor education and learning beyond the classroom. We endeavour to engage participants in developing skills and abilities and as you would expect we have a strong emphasis on environmental and discovery programmes. We aim to offer a great deal more than just an outdoor activities centre with all-round experiential learning opportunities in our forest setting. The centre has warm, secure dormitory style accommodation, over 70 group pitches with tented camps, healthy nutritious food, exciting adventure activities and dedicated, qualified, experienced and friendly staff.
